

Fylde Scholarship 2017-2018

Fylde has a **total** scholarship fund of £1500 (£600 is donated by the JCR and £900 by the College) awarded each year to successful applicants who are awarded funds for travel expenses relating to:

- Conferences, seminars or workshops that may enhance their degree
- dissertation projects where costs exceed those normally expected
- volunteering activities
- summer internships

These are activities which the college endorses as enhancing the student's employability.

Awards are typically up to £100 depending on the requirements and quality of application.

How to apply

Completed application forms should be submitted to the College Manager before the appropriate deadlines. **The success of your application will depend on the quality and fullness of your application. You are advised to explain clearly and in depth about how the funding will assist with your venture and how it will enhance your employability.**

The allocations are considered at two points in the year:

End of Michaelmas Term (deadline for applications is Monday 11/12/17)

Mid-Summer Term (deadline for applications is Monday 21/5/18).

Scholarship applications are then assessed by the Scholarship Committee:-

- Fylde College Senior Advisor
- Fylde JCR Representatives

If the application is successful the Senior Advisor will inform the student by email. Students must have their bank details registered on the university system to receive payment.

The successful applicant may be asked for a short report and photos, if possible, to describe their travels.
